Terrie Shaft went over the different options for cost of purchasing a new domain name for the club's website so that it will coordinate with the recent name change back to OCTA. The 5 year plan for the domain name www.OCTA.us was chosen as the best option at this time. Also it was decided to keep the current domain name of www.okeventers.us for this year and next to help re-direct people to the new website. Terrie is also in the process of overhauling the website and updating information now that the domain name will be purchased.

Bobbi offered to contact each of the land owners and see if they would be willing to let OCTA use their facilities for these activities and will report back to the board.
